

Faculty Association Graduate Student Medals

The Faculty Association Graduate Student Medals recognize exceptional achievement by one student undertaking Master's study and one student undertaking Doctoral study. Recipients will be presented with a medal and with a \$500 award.

Eligibility:

Master's Medal: Current registration in the first year following completion of one academic year of full-time equivalent Master's study.

Doctoral Medal: Current registration in the first year following completion of two academic years of full-time equivalent Doctoral study.

Criteria: Academic achievement and scholarly promise based upon:

- i. Graduate Transcript
- ii. CV
- iii. Letter of application of no more than 500 words, highlighting accomplishments that would merit receipt of this award.
- iv. Reference letters from advisor and one other faculty member familiar with the candidate.

Adjudication: Files will be reviewed by the Scholarly Merit Awards Committee.

Deadline for receipt of application/nomination materials: November 1st, 2024
