

UPEI Action Plan Implementation

Building a Culture of Trust, Safety, and Inclusion

13 December 2024

Implementation Plans

“The University will prepare a comprehensive implementation plan for each year of the Action Plan that includes the specific activities that will be undertaken in that year, stated in an auditable manner, meaning that all activities will be measurable and observable. The annual implementation plans for each of years 0–5 of the Action Plan will be added to the Action Plan website as they are developed.”

Implementation Plans

Process for Development and Review

- Assignment of Implementation Leads
 - Lead responsible for developing of plan
- Assignment of Senior Executive level responsibility
 - Feasible
 - Adequately Resourced
 - Complete, Specific and Measurable
- Reviewed and Approved by Senior Executive Team

Implementation Plans – Year 0

- Period May 1st, 2023, through April 30th, 2024
